## About Us

Established in the year **2002**, we, "**Goyal Industries**", are counted among the paramount organizations that is engaged in processing, suppliers, importing and exporting a wide gamut of **Kesari Rava, Upma Rava, Broken Wheat, Durum Wheat Semolina and other Wheat Products**. Our organization was founded by vision and hard work of **Late Shri Prahalad Dasji Goyal**. Earlier, we commenced our business activities from cotton ginning & pressing and oil extraction. Later, we started with an initial production capacity of **10 MT per day**, which has now reached up to **60 MT per day**. Under our parent group, there are two firms, namely **Goyal Comex** and **Savita Agro Industries**. **Goyal Comex** was set-up in the year 2010 that is involved in exporting and importing durum wheat semolina, durum wheat bran, chickpeas and various other agro products. At present, our range of products encompasses **Wheat Daliya, Wheat Flour, Wheat Seeds, Durum Wheat Broken, Durum Wheat Bran and Durum Wheat Semolina**. Also, we offer **India Pulses, Chickpeas, Upma Rava and Maize Seed**. These products are highly appreciated by the clients for their tasteful flavor, enriched aroma, high nutritional content, freshness, easy digestion and adulteration free processing. Safe for human consumption, all our products are processed using high-grade ingredients that are sourced from reputed cultivators of the market. A multifaceted...
